Higher Education

University of Mary Washington

The University of Mary Washington is one of Virginia's outstanding public liberal arts universities.

The University is a place where faculty, students, and staff share in the creation and exploration of knowledge through freedom of inquiry, personal responsibility, and service. UMW regards the provision of high quality instruction as its most important function.

The University of Virginia McIntire School of Commerce creates learning opportunities that change lives. With immersive, hands-on courses that put students in direct contact with global firm executives, our transformative educational experiences provide immediate value and enduring success. McIntire offers three pre-experience graduate programs: M.S. in Commerce, M.S. in Accounting, & M.S. in Global Commerce.

SCHOOL *of* NURSING

The University of Virginia School of Nursing is Virginia's only program ranked in the nation's top 25 where nurses from every background and with myriad goals learn from the best.

The Clinical Nurse Leader (CNL) program is geared towards students who already have a bachelor's degree in something other than nursing and decide later in their education or career that they would like to be a nurse. This is a direct entry, 2 year full time program where you will earn your MSN, rather than your BSN.

Raymond A. Mason School of Business

WILLIAM & MARY

William & Mary's Raymond A. Mason School of Business is nationally recognized for the quality of our faculty, the talent and diversity of our student body, and the opportunities we provide for hands-on learning and executive coaching. It's a revolutionary approach to business education that will prepare you to make an immediate contribution to any business, even your own. William & Mary is a unique place and we are looking for unique candidates to join our family.

K-12 Education

Conveniently located between Washington D.C. and Richmond we are a small school division where you can have a big impact!

Caroline County Public Schools is a division that focuses on relationships, learning and growth of our students and staff members. Serving 4,500 students our division is comprised of three elementary schools, one middle, and one high school. CCPS has two new teacher support coaches that work on a weekly basis with our new teachers to support your needs.

You can visit our website at ccps.us or find us on Facebook to see more of what is happening on a daily basis.

King George County Public Schools is made up of 3 elementary schools, one middle and one high school. Located midway between Washington, D. C. and Richmond, Virginia. We seek to empower, engage, and inspire students in a caring, safe, and healthy learning environment, providing them with diverse and dynamic learning experiences and skills for success in an ever-changing world.

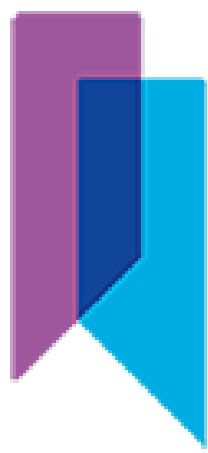

Here at Stafford County Public Schools, we inspire excellence by employing high-quality educators, and offer professional development opportunities and mentor programs for our staff, as well as tuition reimbursement and student loan repayment options. With 33 schools educating over 30,000 students, our school system is one of the best in Virginia. Our students score above the state and national averages on standardized tests, and earn awards at the regional, state and national levels. More than 82% of our graduates plan to continue their education at college or trade/technical schools.

Other Education

LLE Education Group provides care for children ages infants through school age in a nurturing and loving atmosphere designed to meet each child's individual needs. We also offer educational preschool programs for two, three and four year olds, a school readiness enrichment program, junior kindergarten, and Montessori Programs. LLE also serves school agers with enriching before and after school programs and summer and winter camps.

College Advising Corps

The University of Virginia launched the Virginia College Advising Corps (VCAC) in the fall of 2005 as a public service program to address the widening gap in college access for low-income, first-generation, and underrepresented students. Our mission is to increase the number of these students entering and completing higher education.

The Corps places recent college graduates in high schools throughout the Commonwealth to work alongside school counselors on college and career readiness.

The TFAS DCinternships Summer Program takes place each summer and is based in Washington, D.C. The summer program includes academic credit through George Mason University, an internship placement, furnished housing, guest lectures and site briefings as well as professional development and networking events.

Defense & Military

As a partner to some of our nation's most critical government agencies, we offer boundless opportunities for our people to support their country, grow their skills, and expand their horizons. Our commitment to ethics and integrity fuels our progress and inspires us to aim higher as we deliver distinctive expertise and technology to advance our nation's most critical missions.

At CACI, you'll have the autonomy you need to succeed, the resources and support you need to thrive, and the opportunity to break new ground. We're hiring interns and early college graduates. Don't wait, jumpstart your career with CACI! Your potential is limitless. So is ours.

Founded in 2008 by Linda Blakemore (President & CEO) as an Certified 8(a) and Economically Disadvantaged Woman Owned Small Business, Gemini 3 Group provides a team of committed, empowered, and technically capable professionals to fulfill the mission(s) of our clients in the public and private sector(s). The Prince William County Police Department is comprised of 707 sworn police officers that serve a citizen population over 485,000. This nationally accredited law enforcement agency offers a competitive salary, \$10,000 hiring bonus, permanent non-rotating work schedule, take home vehicle program, paid retirement, outstanding benefits and numerous specialty units.

Government

The Division of Consolidated Laboratory Services (DCLS) is a Division within the Virginia Department of General Services. Formed in 1972 by combining testing services provided throughout Virginia, DCLS offers lab testing for public health, food safety, environmental protection and emergency response. The diversity of DCLS services allows for centralized laboratory preparedness, testing and response to outbreaks and emerging infectious diseases such as Ebola Virus, Zika Virus, MRSA (Methicillin Resistant Staphylococcus aureus) and Corona Virus. We are your State Laboratory!

Most people know that the National Park Service cares for national parks, a network of over 427 natural, cultural and recreational sites across the nation. The treasures in this system are the first of its kind in the world and have been set aside by the American people to preserve, protect, and share the legacies of this land.

The Virginia State Police is recruiting qualified applicants to promote highway safety, serve and protect their community, increase community involvement and partnership, keep Virginia safe by enforcing the laws of the Commonwealth, and attend one of the finest Law Enforcement Training Academies in the United States. We are actively seeking professional individuals with a desire to represent and serve the Commonwealth of Virginia.

Stafford County would like to express our commitment to providing a welcoming, inclusive, and safe community for all residents and visitors. We value an environment of unity, trust and understanding. We honor our history and respect and protect the right to live free from discrimination.

Community Resources

The disAbility Resource Center works with people of all disabilities and all ages to help them become as independent as possible in their homes and communities. We are a Center for Independent Living, one of 17 in Virginia and approximately 400 in the U.S. that provides independent living skills training, peer counseling, advocacy, information and referral, and transition services from nursing home to one's own home and transition from high school to adult life. The dRC also provides educational advocacy, deaf and hard-of-hearing referral services, nutrition and exercise classes, personal attendant facilitation, community trainings, and Americans with Disabilities (ADA) guidance.
