

# HOW TO: INTERNSHIP CONTRACT APPROVALS

The handy guide for Supervisors of UMW Interns!

## 01 FIRST STEPS

When a student submits an internship contract on Handshake, you will receive an email entitled, “Experience requested by [Student Name].”

To respond to the request, open the email, then click the blue button at the bottom labeled, “Review Experience Request.”

## REVIEW EXPERIENCE 02

Review the contract to verify that all details about the internship are accurate.

## 03 APPROVE (OR DENY) EXPERIENCE

After reviewing the contract, select “Approve” or “Deny.” If you choose not to approve the contract, please include a note explaining why. This will allow the student an opportunity to make corrections.

## FINISHED 04

Once you approve the contract, it will be sent to the next reviewer (Faculty Sponsor).
