

53779 - Managing the Secondary Classroom

Delivery Options: Online

Course Description

This course is designed for general and special educators in the middle and high school setting. Over several sessions, participants will discuss evidence-based strategies for setting up the classroom environment, creating grade-appropriate procedures and rules, delivering explicit instructions, and engaging with individual students and families. Other topics include: positive reinforcement, hierarchy of consequences, relationship building, and teacher well-being. Participants will engage in synchronous and asynchronous activities and design a classroom management plan.

The following questions are for your enrollment in a course belonging to Transcribed

Please provide your social security number for this 1 credit course. Each January, the Taxpayer Relief Act of 1997 requires the University of Mary Washington to report information to the Internal Revenue Service via a 1098-T. All students that earn academic credit at UMW are required to provide a Social Security Number. This information includes your name, social security number, full or part time student status, qualified tuition charges and scholarship/grant amounts. *

Policy Confirmation

Course Fees

Our course fees are made up of tuition, supply fees, and non-refundable credit card transaction fees. Tuition helps us pay our instructors; supply fees cover the cost of supplies specific to your course. In some classes, you may be asked to purchase or bring from home additional

I have read and understand the drop, transfer, refund, security, and privacy policies and approve the settlement of any amount owing with my chosen payment method. *
